## 43CA(2)

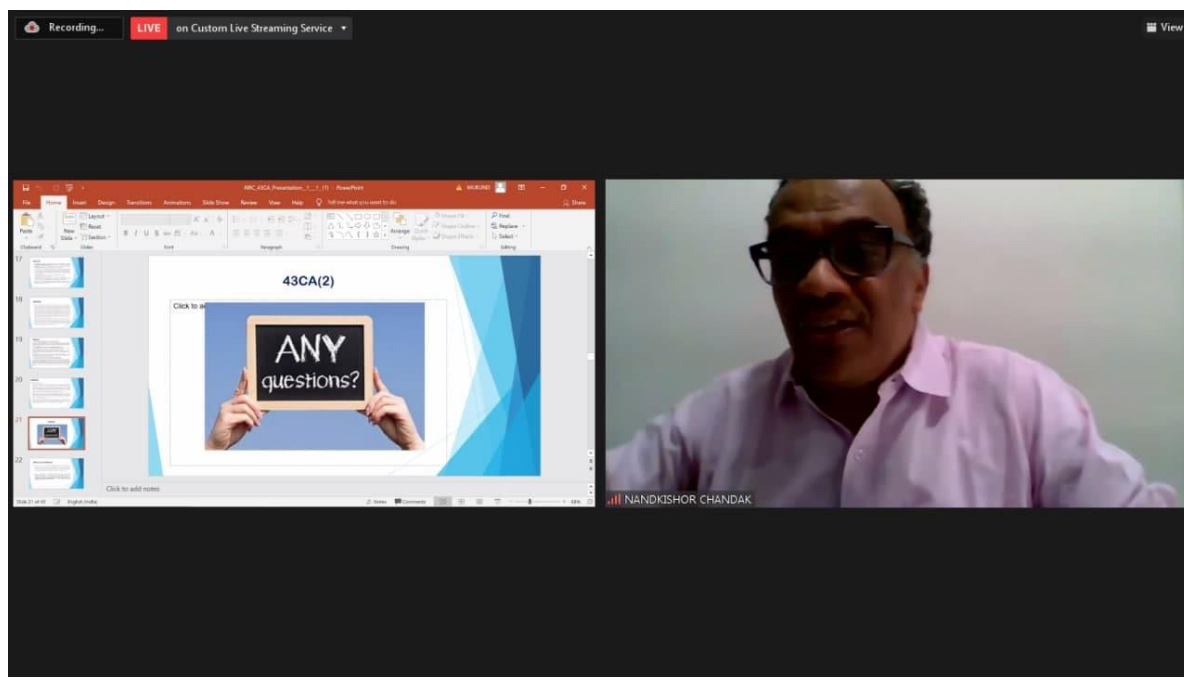

- ▶ Provisions of sub-section (2) and sub-section (3) of S. 43CA shall apply in relation to determination of the stamp duty value. Sub-section (2) of S. 43CA provides that the provisions of sub-section (2) and sub-section (3) of S. 43CA shall apply in relation to the determination of stamp duty value. The explanation of this is as under:
  - 1. In case the assessee has accepted the stamp duty value and claims before the AO that the value assessed or assessed or assessed by the stamp valuation authority exceeds the fair market value of the asset on the date of transfer then the AO may refer valuation of such asset to the DVO. Though the section uses the term 'may' in the context of S. 43CA, in the following cases, the Tribunal has held that the AO is bound to make a reference to the DVO:
    - 1. In the case of *Life Fortuna Structures Pvt. Ltd. v. CIT* (2009) 318 ITR 100 (Bombay).
    - 2. In the case of *Shreeji Builders v. CIT* (2012) 342 ITR 100 (Bombay).
    - 3. In the case of *Shreeji Builders v. CIT* (2012) 342 ITR 100 (Bombay).
    - 4. In the case of *Shreeji Builders v. CIT* (2012) 342 ITR 100 (Bombay).
  - 2. Upon a reference being made (certain provisions of the Wealth-tax Act, 1957 shall apply in relation to such reference as they apply in relation to a reference made by the AO u/s 16A(1) of the Wealth-tax Act, 1957.
