Wicasa_nashik was live for student's enjoyment on 1st May 2020 at 7.30 pm on Instagram. Few members and students from our own branch was performed. It may be music, stories, poetry and much more fun.

Hope can be a powerful force, especially in difficult times. Today, the world is facing the coronavirus crisis, a pandemic that has changed life for millions of people. In times like these, hope can be a powerful source of reassurance. Many who are locked at home, others who are working to help and prevent the virus, also need the reassurance and the hope that “we shall overcome this.”
